INSTRUCTIONS FOR THE UND-2 FORM

The UND-2 form is the delegate assignment form for each country's delegation (grades 7 – 8). Every ambassador should consult his or her delegates and assign them to the indicated spots on each committee. Complete this form and submit it with the country's registration forms. *The UND-2 is required before a country can be registered and seated for the program.*

Step-by-Step Process to Complete UND-2

1. Consult country members for preferences on committee assignments.
3. Assign all other delegates to the number of committees the assigned country permits.
(If you have one GA delegate, only assign to 1 committee. If you have two GA delegates, only assign to 2 committees. If you have three GA delegates, only assign to 3 committees.)
4. Once the UND-2 form is completed, copy it so that the ambassador will have a record of the country's assignments. Submit the country's UND-2 at the time of registration. Remember that registrations will not be considered complete without a UND-2 attached.
