NORTHFIELD AREA FAMILY YMCA Membership Information & Registration Form

When you join the Y, you don't just join a community center, you join a cause. At the Y, strengthening community is our cause. We believe that positive, lasting personal and social change can only come about when we all work together to invest in our kids, our health, and our neighbors.

That's why we focus our work in three areas:

Youth Development - NURTURING THE POTENTIAL OF EVERY CHILD AND TEEN

We work to ensure youth realize their potential to become active, engaged, and thriving members of the community. The Y nurtures their socio-emotional, cognitive, and physical development through holistic youth programming, experiences, and supports.

Healthy Living - IMPROVING THE NATION'S HEALTH AND WELL-BEING

We work to improve lifestyle health and health outcomes in our community. Our work aims to help the transformation of health and healthcare from a system largely focused on treatment of illnesses to a collaborative community approach that elevates well-being, prevention, and health maintenance.

Social Responsibility - GIVING BACK AND PROVIDING SUPPORT TO OUR NEIGHBORS

We work to foster social connectedness, strengthen support networks, and encourage investment in our communities. The Y activates resources and engages people from diverse populations for individual and collective action.

OUR MISSION:

The Northfield Area Family YMCA builds strong kids, strong families, and a strong community. We will work as a trusted partner and collaborator with the many other organizations in our community that provide programs and services to enrich Northfield, building a healthier, more active and more engaged community. The Northfield Area Family YMCA will operate by the values it hopes to cultivate in the communities it serves: caring, honesty, respect and responsibility. These values will direct the governance of the organization, the creation and operation of its programs, and the conduct of its leaders, staff and volunteers.
