Summer Leaders Program

Ages 13-15 / Grades 8-10

Summer Leaders are participants entering grades 8-10 or up to age 15 who are looking for leadership experience or who may want to apply for a job at the Y in the future (must be 16 years of age to apply for a position at the Y). Summer Leaders will learn the specific skills needed for working with kids and co-workers through hands-on experiences in our Y Navigator camp. Summer Leaders will also learn professional skills through a mock interview process and weekly check in meetings with the camp directors. Summer Leaders help us better serve our younger campers by reading to them, preparing snacks, assisting with cleaning, and learning to plan and lead games, songs, and activities. We are also introducing a community engagement portion of the Summer Leaders program.

Objectives of the Summer Leaders Program

- To explore skills needed to successfully work with children.
- To learn about professionalism in a safe and fun environment.
- To create a positive impact on their community.

Applications to be a Summer Leader for Summer 2022 are due June 10th.

Please note that completing the Summer Leaders Program does not guarantee future employment with the Northfield Y.
