

JOIN THE YMCA IN BUILDING A STRONGER COMMUNITY!

2026 COMMUNITY PARTNERSHIP OPPORTUNITIES

Partnering with the Northfield Area Family YMCA is a meaningful way to show up for your community while building genuine connections with the people you serve. As a Community Partner, your business helps ensure neighbors of all ages can access memberships, swim lessons, fitness classes, youth programs, camps, and specialty wellness programs - regardless of ability to pay. Together, we're not just supporting programs - we're supporting people, strengthening families, and creating a healthier, more connected community. We'd love to work alongside you to make a lasting impact.

WHY PARTNER WITH THE Y?

- The Y is dedicated to strengthening our community through Youth Development, Healthy Living, and Social Responsibility while being guided by our 4 core values: Caring, Honesty, Respect, and Responsibility.
- The Y is a place for children to learn and grow, teens to feel safe and engaged, families to enjoy time together, individuals to stay fit and build friendships, and seniors to socialize while they maintain their health.
- The Y is committed to providing the highest quality programming and services to enhance the lives of those who live and work in our community. Over the course of a year, the Y offers more than 100 programs, classes and services that impact over 4,500 members and countless nationwide visitors and community members.
- The Y is a safe and welcoming place for everyone. Our inclusive facility welcomes all sizes, colors, genders, beliefs, religions - all types of people!
- Financial need is never a deterrent for YMCA access. The Y is dedicated to serving all members of our community - regardless of their ability to pay.
- The Y is a 501(c)(3) nonprofit organization. All donations from Community Partnerships are directly invested into our community members in need.

Each year the Y provides over \$100,000 in direct subsidies to more than 400 individuals. More than 10% of our current membership base is a part of our Membership for All program, helping individuals and families obtain a membership based on their current financial and circumstantial situation.
